

4 years at BRG Traun: What remains?

What I like(d) about this school:

- I have always loved the school building itself. There is just so much to explore and see.
- The variety of people attending this school is incredible. There are a lot of different nationalities. That is a good thing about the BRG Traun.
- My classmates are all very nice and when someone needs help we try to help.
- The teachers are always helpful and friendly.
- I also like the cafeteria. The snacks you can get at the buffet are delicious.
- The school is always clean and I think it's very good.
- I really like about the school that there are so many table tennis tables. In the breaks we always play there.
- What I really like are the breaks.
- One thing that is impressive about our school is how much it cares about people – Not only the pupils and teachers, but also about people in Kenya. The many projects for the kids there are amazing.
- Everybody at school, the teachers, headmaster, even the cleaning ladies try that we have a good time
- There is another thing that I really like, it's the big carnival event. Every year they play songs like "Macarena" or "Gangnam Style".
- I really love my school and I'm looking forward to the next 4 years.

What I will always remember:

- There is one thing I'll never forget. In the last school week each class does fun activities and on one day my classmates and I slept at school.
- I'll always remember the trip to "Bayernpark" or the skiing week.
- The week before the holidays we will go to Vienna. I am really looking forward to it.
- We did things for other people, too, like running for Kenya or casting candles.
- I will never forget my friends. When my classmates and I are together for a few days, we are like a little family.
- This school is adorable, I think. I've learnt many things there and I will never forget these people in my life.
- This school always felt like a second home when I was there.
- All in all, I've had a great time at the BRG Traun and I'm looking forward to the next four years.
- Things I will always remember are the "Kennenlertage" in the first form and the skiing week in the third form.
- ... the Blitzkopf matches or when we slept at school before Christmas or when we baked pie or pancakes
- I will never forget the "SOLE-Tage" in the second grade, they were so funny
